My Friend Irma

According to Wikipedia, "My Friend Irma" was a long-running radio situation comedy created in the 1940s. The show was so popular that films, television programs, a comic strip, and a comic book became part of a franchise. BUT I have a story of my own regarding "My Friend Irma." You see, my friend Irma and I live in the Village of East Harbor and became friends over 6 months ago. Here is how that came about.

When my husband and I moved to East Harbor, we didn't know any of the other residents and wanted to immerse ourselves in this new setting. So we arranged to meet with Chaplain Laura asking for her suggestions in

how that might happen. Both of us have been active with groups/agencies that help individuals, and we wanted that interest to continue. Chaplain Laura said, "Well, I have been reading to a resident named Irma and am finding that I can't get to read to her as often as I would like. Maybe you could help out." Hmmmm. I thought, "Well, that's a new thing for me, but I do know how to read. I'll give it a try." Thus, began my journey with my friend, Irma.

Currently, we get together most Saturday mornings in her room at 10:30 a.m. For about one hour I read to Irma because she has low vision problems. Our sessions usually include 3 parts: I read Bible texts and devotional lessons from "The Upper Room" (a religious publication). Then, I read several inspirational articles from "Guideposts." But the best part is when "we chew the fat" (Irma's description). Oh my, that's where our friendship has really cemented.

Friendships are defined as "shared enjoyment, a bond, common interests, common values" and more. Well, Irma and I can check off most of the boxes that define what it means to be friends. Our conversations cover the gamut from our favorite recipes to our favorite garden flowers to how we think children should be raised to the regrets that we have about raising them the way we did. We enjoy connecting with other people and take advantage of the activities offered at the Village. We laugh together and complain together. Such fun when we agree.

However, I don't want you to get the idea that we are clones. For one thing, she's a lifelong Presbyterian, and I am a Methodist. She is a knitter, crocheter, quilter, cross stitcher, and I am none of those. She has been a bridge player for over 90 years. I have difficulty playing euchre. Did you notice that I haven't mentioned "age?" If you must know, Irma was a teenager when I was born.

So what is friendship? The closer I look for the answer, the more elusive it is. Suffice it to say, I am glad Irma is my friend.

APRIL-HAPPY EASTER!!

HOLY WEEK IS UPON US;

A TIME TO CELEBRATE OUR LORD AND SAVIOR, JESUS CHRIST!

THE FIRST SUNDAY OF EVERY MONTH IS COMMUNION SUNDAY

Join us Sundays at 11am, April 2 & 9 for special **Palm and Easter Sunday services** to celebrate the welcome and resurrection of our Lord.

During Holy Week, we focus on the arrival, crucifixion, and resurrection of our Lord and Savior, Jesus Christ through readings and prayer.

His resurrection proves He was who He said He was and that He would do what He said He would do. Crucified, buried in a tomb, and rose 3 days later proves that His resurrection guarantees all believers and followers of Christ that the penalty for our sins have been paid in full.

The resurrection guarantees Jesus' return for all believers; death is not final. Our hope is in Christ and what took place on the cross; There is a new hope for a new life in Him, which is why we rejoice!

He laid down his own life, yet- HE HAS RISEN INDEED!!

Let us always remember the incredible importance of Jesus' resurrection, which is the anchor of every hope we have and ultimately the anchor of hope for all mankind (Hebrews 6:17-20).

Please join us for our 11am Sunday services including Palm Sunday and Easter Sunday in the Chapel.

Please see "<u>Chaplain's Corner</u>" for news and information regarding spiritual programs, activities, trips, and MORE including **CANDY MAKING** and the overnight **trip to the Ark Encounter and Creation Museum in KY**

Rosie the Riveter honored in Washington D.C.

Our East Harbor neighbor Francesca (Fran) Masters was honored in Washington D C. for her service in WWII. Francesca was 18 when Pearl Harbor was bombed. She joined the ranks of almost 6 million women who became Rosie the Riveters and took up the slack and worked in war-time factories while the men went to war. She worked at Willow Run riveting wings

for B24 Liberators as her 2 brothers joined the military. Only one brother returned.

Boeing Aircraft has long been involved in honoring all the people who served in defending American democracy. Boeing provided private flights, hotel accommodations, meals and tours for 11 Rosie's of whom our Francesca at 101 was the oldest.

The Rosie's were given wheelchair tours of the Capitol building, the Rayburn building, the WWII Memorial and also viewed the cherry blossoms in full bloom at the Capitol Reflecting Pool. They lunched with U.S. Representatives Debbie Dingel, Rashida Tlaib, and Lisa McClain. They were accompanied and interviewed by journalists, photographers and news personalities including Fox 2 Detroit and NBC News Andrea Mitchell.

They were then taken to Boeing headquarters where they were greeted by many employees

and top executives with banners and cheers. At a cocktail party they were given a Boeing pin. Later at dinner they were presented with a Rosie the Riveter coin that was recently flown on Boeing's Starliner Orbiter flight in space.

Francesca said her day began at 5:30 am and when they landed in Kalamazoo it was 1:00 am. What a day for a 101-year-old Rosie, they don't make 'em like that anymore. Thank you Rosie for your service. I am proud to know you.
