## FROM THE DESK OF THE ADMINISTRATOR, CAROLYN MARTIN:

Spring flowering trees on the campus were extra pretty this year don't you think? Now that the weather is cooperating I can't wait to see residents enjoying grilled entrees from the Cameron Café on the new outdoor patio. Fingers crossed we will be able to celebrate all the missed Birthdays June 21st., in the new dining room. We are at the mercy of the Fire Marshal approving the new wiring that had to be completed for the fire alarm suppression system.

We had an inquiry why dates and announcements in the resident association minutes don't always match the printed calendar. The resident association meeting minutes are recorded at the resident association meeting and can not be edited. Events, plans, and things can change from the time the minutes are recorded to when the calendar goes to print. Always refer and defer to the resident calendar for the most up to date events. The minutes do not always reflect changes that occurred between the meeting and the date the newsletter goes to print. We will add a disclaimer to the resident association notes.

Each month I am introducing staff who work for you here on the campus and are available for

guidance and services. This month I would like to introduce Denise Klimaszewski Assisted Living Nurse and Lynette Sanday Memory Care Nurse. Denise has been a nurse here for 10 years. Lynette has been employed at VEH for 16 years. Together they help coordinate the care for our Assisted Living, Memory Care and Independent Residents on the campus. Denise and Lynette assist the Doctors on campus when they visit residents. They manage our Electronic Medical Records and Pharmacy for residents. Nurse Denise and

Nurse Lynette also can provide information on Hospice and Comfort Care. They help educate families. In addition they both provide assessments for anyone looking to move into Assisted Living or Memory Care. If you or a loved one are thinking of needing a higher level of care and might need Assisted Living you can call Sales and Leasing and they will educate you on the information needed for Denise and /or Lynette to do an Assessment. The Assessment questions help to determine what the best care plan would be for you or a loved one. Denise resides in beautiful St. Clair with her family. Lynette resides in Capac and is married to Roger from our maintenance staff. Stop by and introduce yourself to Denise. Her office is located by Barnett Hall or say hello to Lynette in Haven Hall.

Carolyn Martin

Do you or someone you know have some elective surgery scheduled for the near future – possibly a hip or knee replacement, or something else? We would like to

remind you that The Village of East Harbor has the highest rating for rehab therapy, and now we have a beautiful new Therapy Room to match the high caliber of our experienced staff! Please visit us soon to see what we now offer: private therapy rooms, a kitchen (including a washer and dryer) as well as a bedroom and bathroom in which to practice daily living tasks and safe transfers, new equipment, big bright windows and a spaciousness that rivals any of our competition!

We are expecting one of our cottage homes to become available soon, and although we have some interested prospects on our wait list, if you or someone you know are interested, please contact either Nancy (716-7183) or Peggy (716-7397) for more information. Make sure that if you send your friends or family, they mention YOUR name to Nancy or Peggy so that you get a \$500 referral check when they move in!

## JUNE

The official first day of summer, Flag Day, and Father's Day are on the horizon for June; Father's Day being the most celebrated.

Some may believe they have big shoes to fill when it comes to 'measuring up' to the image of a father, when in reality, the only image of a father to attain is that of our heavenly Father. John 3:16- "For God so loved the world that He gave his only begotten son...". God gave.

He instructed man to be the provider for his family. To 'train up a child in the way he should go' (Proverbs 22:6), To hold fast to His precepts (Proverbs 4:1-9), to love and care for his family, and to stand firm in the faith.

Society has laid a heavy burden on them, when, in fact, God simply says: Lead, provide, protect, train, guide, and love; and we are all called to be imitators of Christ (Ephesians 5).

On June 17, we will celebrate the dads who emulate the nature of Christ. We will raise our banners high, honoring those whom God appointed to lead, provide, protect, train, guide and love.

June 14 is Flag Day. A not-well-known fact- the Christian flag was birthed in 1897 and created 10 years later, in 1907. The colors on the flag match those on the American flag; White represents purity and peace, blue indicates fidelity, and red stands for Christ's blood sacrifice.

This month, as we pledge allegiance to our flags and for what they represent and honor the fathers in our lives, let us always remember and honor our Heavenly Father, the one who gave the ultimate sacrifice for us-His Son, Jesus Christ.

Please continue to check your calendar and our Chapel News bulletin board in the Chapel hallway and sign up to join us. I have special Father's Day activity scheduled as well as outreach opportunities.

## Residents Association Meeting May 8,2018

Meeting was called to order at 1:32 by President, Bob Morrill. 48 in attendance.

Residents attending a meeting for the first time were welcomed: Steve Turbin, Jean Ciamataro, and Joyce Walker;.

Chaplain Laura gave the invocation and Bob Healy led the pledges to the American and Christian flags.

Brian Williams, Food Service: The dining room will be open for the fashion show, but will not be turned over to the village until some wiring is done and an inspection passed. Village of East Harbor is participating in the Anchor Bay food competition which they won last year. Cameron Cafe is due to open the end of May. It will have a "Panera Bread" type menu; soups and salads and sandwiches. And a "pick up 'and go" menu. Some sundries will available as well. There will be an omelet station this month. In answer to a question, you will not be able to use your meal plan card in the restaurant.

Laura Stone, Chaplain Waffle Wednesdays be May 30. Waffles are socializing are free. Wednesday, May 16 is "Hope for the Hungry" and Lunch with veterans on May 22. Time for Bible Study has been changed to 1:30 from 3:00 at the request of residents

David Miller, Admiistrator address some questions from residents;  
Irma Black and Linda Adderman asked about repair on the roof as there has been water leakage for 2 or 3 years. Mr. Miller indicated that this a plan for new roofing on that section of the building. He will look into immediate repairs. Questioned about the grease box in the parking lot Mr Miller said he will talk to the construction company about removing it.

Questioned about a library in the new building, Mr. Miller explained that there will not be a library room as part of the current renovation. Given the space available there was preference for a cafe rather than a library. Currently there will be shelves for books in the Cameron Cafe and other available space. Also tow computer terminals will be located in the Capman Dining room. As we go into plans for the next phase a library will be considered. We might want to look into some regularly scheduled trips to the Chesterfield Library.

Delay in opening the new dining room has to do with issues relating to the fire suppression system. Electronic ordering will be an option in the restaurant. You can charge to your account, pay cash or use a credit card.

The new nursing wing will open soon, the whole section will be completed by the end of July.

An additional \$50,000 was received this month toward the Health and Wellness Center.

This summer planning for Phase 2 will begin. There will be a sub-committee of residents involved in brainstorming ideas for the new apartments.

Inspirational Reading , "I' m Fine" read by Mariam Woodstock

Chris Gorde, Fitness The village Victory Cup is June 22, 2018. This is a "competition" among several of the Presbyterian Villages who gather to compete in several fun activities e.g. ballon volley-ball, walking, puzzling, bean bag toss, etc. She discussed practice opportunity for the various events. Also there will be a video made ahead of time to be shown in competition at the VVC. This years theme is 1950s Rock and Roll. If you're interested in participating in that event as well as joining other VCC teams. Put your name on sign up sheets.

Doug Vincent, Maintenance announced that "Change Over" is beginning. Twice year maintenance staff comes to each IL residence (including Capman Hall) to turn on water, change batteries, clean vents, change storm doors. You will be asked to sign a check list of all the things that were completed.

Betsy Mianecke, Wellness Lead Betsy suggested that the next Resident Ass'c Meeting be moved to Wednesday, June 13 so that residents can participate in a Senior Expo and baseball game at Jimmy John Field. ## **I Wandered Lonely as a Cloud**

BY WILLIAM WORDSWORTH

I wandered lonely as a cloud  
That floats on high o'er vales and hills,  
When all at once I saw a crowd,  
A host, of golden daffodils;  
Beside the lake, beneath the trees,  
Fluttering and dancing in the breeze.

Continuous as the stars that shine  
And twinkle on the milky way,  
They stretched in never-ending line  
Along the margin of a bay:  
'Ten thousand saw I at a glance,  
Tossing their heads in sprightly dance.

The waves beside them danced; but they  
Out-did the sparkling waves in glee:  
A poet could not but be gay,  
In such a jocund company:  
I gazed—and gazed—but little thought  
What wealth the show to me had brought:

For oft, when on my couch I lie  
In vacant or in pensive mood,  
They flash upon that inward eye  
Which is the bliss of solitude;  
And then my heart with pleasure fills,  
And dances with the daffodils.
