## FROM THE DESK OF THE ADMINISTRATOR, CAROLYN MARTIN:

I hope everyone had a Happy Thanksgiving. We held two vaccine clinics for booster shots for residents in Memory Care, Assisted Living, Healthcare, Independent Living, and for staff. It was important to hold the booster clinics as the break thru cases started to rise. It was forecasted from the beginning that a booster would possibly be needed. What was unknown was the timeline. The only way to predict when a booster would be required was when break thru cases started to occur. I recall when my son was part of the first children to receive chicken pox vaccines we were told the same thing. We would not learn if a booster would be required until break thru chicken pox cases happened to those who were vaccinated. When that happened the booster was offered for Chicken Pox. Studies have shown that the COVID-19 vaccine is effective at keeping people from getting seriously ill or even dying if they do get COVID-19.

We were happy to distribute \$500 to a resident who referred a friend to the new Harbor Inn Ranch Apartments. You also can earn a referral bonus when you refer a friend and they move into a new Ranch apartment. Make sure they mention your name to be eligible.

The new Health and Wellness Center is almost completed. We can't wait to show you the new fitness equipment, classroom, and Bistro. Stay tuned for future tours.

Wishing you a safe and Happy Holiday Season.

Merry Christmas,

Carolyn

"For Unto Us is born this day, in the city of David, a Savior which is Christ the Lord"

The verse in the Christmas song "O Holy Night", "a thrill of hope, a weary world rejoices for yonder breaks a new and glorious morn", describes this scripture perfectly; a thrill of hope for salvation from a corrupt world. A world in which the heavenly Father wanted fellowship with his creation but His creation, because of free will, descended into sin. So he sent his only son, Christ Jesus as John 3:16-17 describes: "For God so loved the world that he gave his only begotten son, that who should ever believe in him, would not die, but have everlasting life. For God sent not his son into the world to condemn the world, but that the world through him, might be saved". Is there a more perfect Christmas gift than this?

Dates and Events to Remember

We are looking forward to a luncheon on Tuesday, December 14, 2021 at Noon, in our new Bistro and Wellness Center. Please make your reservation by December 7, 2021. We hope you will join us then!

We have a Christmas gift to offer anyone considering one of our new Ranch Apartments: sign up for by December 15, 2021 and enjoy free rent for the month of January 2022! What a lovely way to begin a new year!

Merry Christmas everyone!

**DECEMBER-**  
**REMEMBERING CHRIST IN**  
**CHRISTMAS.**

May we hold fast to the reason for the season, which is Christ and may we always remember Him as we move into the new year.

To many, the gift of time is the greatest gift they ask for. The cost involved is simply...time itself. A warm greeting, a genuine smile, or a brief chat will bless those to whom it is offered.

**“When God Gives You An Assignment...”**

Our 21 year old granddaughter Kristine was heading to her Delta flight and wanted an airport smoothie for the trip. Stopping to get one she missed her flight. As could be expected, she was upset. Trying to get on a different flight, she was told she was 4th in line for an open seat on a different plane. She texted us for prayer; and pray, we did! She later received the call that she's next if this person doesn't come to the gate quickly; continuing to pray, she made her way toward the gate. They did not show so she was instructed to board.

After settling in, she notices a 20-30-something year old gentleman seated next to her appearing very anxious, sweating, gripping both arm rests, with tear-filled eyes. Engaging him in conversation, she discovered that he is the son of a couple who was on the flight that went down in Pennsylvania September 11. He hasn't been on a plane since he was 8 years old on that fateful day 20 years ago.

She engaged him in conversation the entire flight, helping to keep his mind off of his fears.

Taking note of a stewardess offering “wings” to a young child, telling them they “earned their wings”, Kristine headed to the front of the plane, explained who they had on their flight and asked for a set of wings. When the plane landed, she turned to the man, stated, “you’ve earned your wings”, and handed him his Delta wings pin. She said he burst into tears, accepting her gift, and acknowledging his accomplishment. ♥☐

Next time you miss your “flight” (whatever it may be), just know that it may be part of God's plan for you OR someone else's benefit.

You may not actually be late, you may be right on time for a mission that God has for you.

It's a divine appointment that will live in her heart and that gentleman's heart for eternity.

(Philippians 2:3- “Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves”).

***We wish you all a very blessed Christmas. May the Joy of the Lord be with you throughout the Christmas season.***

# Fitness Center News:

## December 1-7 is National Handwashing Awareness Week

'Tis the season to shop, bake, eat, and visit loved ones. It's the most wonderful time of the year—to *spread germs, viruses and infections!*

Clean hands help prevent sickness! Be sure to wash your hands thoroughly—not just when they're visibly dirty but also before and after preparing food and eating, after touching your face, blowing your nose, using the restroom, shopping and handling money. Always cough or sneeze into your inner elbow, not into your hands and keep your fingers away from your eyes, nose and mouth. People frequently touch their faces without even realizing it which is one way germs can be transmitted as well as from preparing or consuming foods with unwashed hands. Germs can multiply in some types of foods or drinks, under certain conditions, and make people sick.

Hand sanitizer is a great tool when you're unable to get to a sink, but it is not as effective as good old soap and water. To make sure hands are truly clean and free of germs, experts recommend lathering your hands well with soap and water for at least 20 seconds. Make sure to include the back of the hands, wrists, between the fingers and under the nails. Dry them using a *clean* towel. According to the CDC, handwashing can prevent 1 in 3 diarrhea-related illnesses and 1 in 5 infections, including the flu.

**This holiday season, spread joy, not germs!**
